

## National Day Parade 2013

This year's NDP will be 25 minutes longer than previous years. Audiences can also expect more interaction with show performers and more comedy during the pre-parade and nine segments of the show, which will take on a variety show format.

Highlights of the show include a human LED screen display, and extreme sportsman such as BMX bikers and skate boarders doing stunts. The theme of this year's show is 'Many Stories...One Singapore'.

Some of the key highlights for this year's NDP 2013 includes:

- The aerial flypast by the Republic of Singapore Air Force as four F-15SG and five F-16D Block 52+ fighter jets pay tribute to the nation on the RSAF's 45th Anniversary.
- A video of stories about Singaporeans and their reflections related to Total Defence
- A photo montage of past NDPs during the Presidential Inspection as a remembrance of the many stories that we have accumulated since independence
- A heart-shaped formation by the Combined Band.

Last but not least, be sure to expect carnivals, concerts and dazzling fireworks display as the whole nation come together to celebrate the nation's birthday!
