

## NIGHTOUT @ CHINATOWN (WITH DINNER)

**Chinatown** has also come a long way since the early days when Chinese immigrants made this enclave their home. Filled with a sprawling myriad of shops and eateries, bustling with colourful and exciting activities set against a backdrop of rich history and heritage, Chinatown is not to be missed especially in the evening when everything really comes alive.

At a Chinese Medical Hall, learn how **Traditional Chinese Medicine** helps to regulate your **Yin and Yang**. From ancient days till modern times, the Chinese have continue with herbs and practices like acupuncture, moxibustion, tai chi and tui na to stay healthy.

After **dinner** at a local Chinese restaurant, wander along the narrow lanes of the Night Market and test your bargaining skills against street vendors selling anything from souvenirs to leather goods.

The highlight of the evening is a **trishaw ride** that takes you through the alleyways of Chinatown and down to Clarke Quay. There hop onto a **bumboat** for a cruise along the Singapore River to see Singapore lit up at night, showcasing beautifully restored shop houses, modern skyscrapers of the financial district, colonial buildings and the iconic Merlion statue.
